ABOUT ME

Qualified bachelor's degree in digital technology majoring in Data analytics. I finished my qualifications in Manukau Institute of Technology (MIT), I managed to learn streamlines of IT skills during my studies. I built and learned different programming skills using C#, python, Front-end languages, and Java. My skills are mostly built for data analysis, analytics, statistical analytics, insight analysis and other specialties in the field of data. I am willing to learn to enhance my skills in the field of Information Technology.

EXPERIENCE

PROMPT ENGINEER – OUTLIER AI (FREELANCE)
JUNE 2024 - PRESENT

Developed and contributed different AI training prompts in the field of programming.

PHARMACY ASSISTANT – CHEMIST WAREHOUSE (PART-TIME)
DECEMBER 2024 - PRESENT

Trained and harnessed my skills in customer service. I have been working in retail for the past 4 years including this present part-time work.

EDUCATION

MANUKAU INSTITUTE OF TECHNOLOGY
MARCH 2026

Bachelor's in digital technology major in Data analytics with a great foundation in the field of Information Technology.

ORMISTON SENIOR COLLEGE
DECEMBER 2020

NZQA Level 3, Year 13 with a strong foundation in the STEM field.

SKILLS

- Problem solving
- Flexibility
- Programming
- Reporting insights
- Communication
- Organization
- Data analysis
- Backend development
- Critical thinking
- Collaboration
- Statistical analysis
- Data engineering

PROJECTS | LINK

- Big data analysis project
- Web Development projects
- Power BI reporting project
- Data visualization projects
- Database creation and design
- Excel mastery project
- Web API projects
- Alteryx data pipeline
- Machine learning methodology
